**Documents Discussed in Agenda:**

Google map of 964 Bedford Road, Carlisle, MA, showing proposed trail on Foss Farm;  
filed with ConsCom.

**Old Business:**

**Minutes from September 9 meeting:**

The minutes were approved as amended (spelling).

**Benfield plaque:**

It was proposed to move a rock to the right of the boardwalk, the purpose being to mount the plaque.

**Eagle Scout/Chestnut Estates project:**

Anthony Perugini is planning on attending the Conscom meeting on October 13.

**Kolansky Easement Walk:**

Steve Tobin and Steve Hinton visited the site to determine the need for signs.

**Elliot Farm Trail Walk:**

Steve Tobin reported it was a good walk with 16 people attending, in spite of the rain.

**Tropical storm Irene:**

More trail clearing needs to be done:

Rockstrom Trail cutoff (1 chainsaw tree),

Sylvia will get the new owner contact information so Wayne Davis and Ken Harte can ask for permission to clear and maintain the trail.

Red Tail Trail, Great Meadows (boards broken on short boardwalk),

Otter Slide Trail (1 chainsaw tree),

Hart Farm Trail.

A workday was set for Sunday, October 30, at 9:00 am, meeting in the Town Hall parking lot.

**New Business:**

**New trail at Foss Farm?**

Joseph Campagna is interested in having a new trail from his property at 964 Bedford Road onto Foss Farm for the use of his kids and horses.

He needs to discuss this with the Land Stewardship Committee and Conscom.

It was pointed out that the Trails Committee does not like to endorse a new trail if it benefits only a single family. A way should be found to move the entrance so that neighbors can access the trail, and neighbor endorsement should be sought.

**Schedule next meeting:**

The next meeting was set for November 4, 2011.
